**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Let this be one of the roads the 1% 'rs lose. Competitive pricing keeps the services self tuning. Big business just wants the big bucks and enough of that. Broadband with phone is fine enough for me, I live in the country too far from fiber and wouldn't need it anyway. Sonic is a fine company and from experience with AT&T I prefer them and their style of operation. Too much of life is being run by big business, as said before, Enough of that.

Sincerely

Marc McCord
